The lucky subscribers who won that quiz was Mr. Taovik Tatan Surtana.

Departing from Jakarta on April 15, 2019, Mr. Taovik and his family were welcomed with complete accommodations from the airport to the hotel and vice versa. Mr Taovik's family stayed at Swissotel, a five-star hotel with complete facilities and a very-strategic location.

"When first informed by MNC Vision that my photo was included as a winner candidate of GOT screening quiz, wow, I was so excited and also nervous! The winner's data collection process was very simple, I had no difficulty at all preparing a photo scan of my passport photo and ID Card. The forms that must be submitted were also easily filled." Mr Taovik said.

On April 15, 2019, Mr Taovik's family experienced the excitement of Game of Thrones Season 8 Premiere Screening in Capitol Theatre, Singapore. This event was also enlivened by cosplayers who made the audience enjoy everything there.

"The main event of GOT screening was exciting! Capitol Theatre is very near from my hotel, just a short walk. There were so many audiences, and the MC duo was very funny! We also got special souvenirs from HBO. I was very happy!" Mr Taovik added.
